The Path of Truth

“The path of Allah is the truth without any augmentation, and it is the reality of the Book and the Sunnah without any innovation. Allah said in His Book: ‘Indeed, those who oppose themselves to you, O Messenger, they are actually opposing allegiance to Allah. The hand of Allah is over their hands. For he who breaks his word only brings it to the detriment of himself. And he who fulfills that which he has promised Allah, He will give him a great reward’ (Al-Fath: 10). And it came in the Sahih Muslim that the Messenger of Allah (PBUH) said: ‘He who dies without having given Bay’at will not take a wage!’

Among the most important characteristics of those who follow the path is gathering and spending division, following in the footsteps of the Sahabah of their Prophet (ﷺ). The Sahabah could not stand to delay the gathering and spending, even for one day, without an Imam or Khalifah as soon as they knew and were certain of the passing of the Messenger of Allah (ﷺ). And so they gathered and gave the Bay’at in Saqiyah.
